+ Presenter – Gordon Foundation

Mieke Coppes

Mieke - joined The Gordon Foundation in 2016 and is currently the Program Officer for the North where she is responsible for the coordination and development of northern-focused programs.

In her role she does research analysis and general program management for the Foundation's northern programming.

Mieke has experience working with international think-tanks and as a freelance journalist. She is passionate about building a strong Canada that leads the world on important issues, such as water, and where everyone's voices are heard.
